

**Friends,**

**A decade has passed since I first teamed up with United States Marine Corp for our first annual Toys for Tots. As a State Assemblyman and a Marine Officer I had access to a great group of people, companies and firms who helped collect thousands of toys and Tens of thousands of dollars with the goal no child would not receive a toy on Christmas. The Palace Theatre's Growing Stage became our venue and over the years we were joined by my American Legion Post #278 and St. Michael's Pre-School. When I left the Legislature almost two years ago the event did not come back in 2008. I am pleased to report that this year we are back and we hope it will be the biggest event yet. In these difficult economic times the Marine Corp Toys for Tots program is needed more than ever.**

**I know many of you can not come to the event itself in Netcong or may not be able to get toys to the Theatre. As in the past Marine Corp is happy to take monetary contributions to purchase toys. The donations are fully deductible and should be made out to Marine Corp Toys For Tots. I have enclosed an addressed envelop for your convenience.**

**Over the years with your generosity we have collected thousands of toys and more than \$50,000 to provide smiles to children all over New Jersey.**

**I hope once again you can come or participate in this special event at the Palace Theatre on December 2<sup>nd</sup> at 7 pm.**

**Simper Fi!**

## Together We Can Do More.

This holiday season, we are proud to join together to sponsor the 11th Annual Toys for Tots. Our goal is to collect hundreds of toys and, most importantly, to bring hundreds of smiles to children in our local communities. Please join us on Dec. 2 at The Palace Theatre. The Growing Stage will present selections from *The Story of the Nutcracker* and refreshments will be provided by Shakey Jake's, Rose's, and other area restaurants.

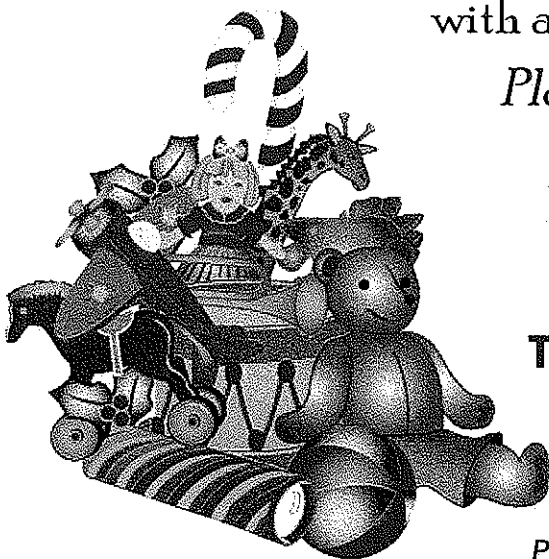

Admission is free to those who bring an unwrapped toy with a value of at least \$10.

Please RSVP to The Growing Stage at
